

Jeffrey P. Jannarone
Dram Shop and Public Safety Practices and Procedures Expert

PROFESSIONAL EXPERIENCE

2020 – Present Exigent Group Limited
Alcohol and Drug Investigations/Dram Shop Expert

Work in a collaborative environment as a subject matter expert providing technical investigation, analysis, reports, and testimony toward resolving civil and criminal litigation requiring specialized knowledge concerning alcohol management policies, including evaluating and enforcing responsible alcohol sales and compliance programs by and for liquor licensees.

Areas of Expertise Include:

- Alcohol Service Establishment Security Personnel Actions
- Owner, Manager, and Server Practices
- Persons Under the Legal Age
- Policies, Procedures, and Training
- Proper Response to Intoxicated Persons
- Signs of Intoxication

Public Safety Expert

Provide technical investigations, analysis, reports, and testimony toward resolving civil and criminal litigation requiring investigation into matters requiring expertise in public safety practices and procedures. Areas of expertise include:

- Fire Fighter and Emergency Medical Personnel Actions
- Security Officer Actions
- Traffic Incident Management
- Manual on Uniform Traffic Control Devices (MUTCD)
- Law Enforcement Personnel Actions
- Correction Officer Actions

2009 – Present Jannarone Consulting Services, Wall, NJ
President

Assist clients in establishing, evaluating, and enforcing responsible alcohol sales and compliance programs for diverse venues, from local licensees to large stadiums. Provide expert services for the legal industry, including testimony, reports, policy development, document review, and conducting undercover investigations for liquor licensees. Instruct alcohol management programs for the beverage industry, develop and present various school programs for diverse populations, and speak at multiple drug and alcohol conferences.

2021 – Present TEAM Coalition
Director at Large and Responsible Alcohol Service Instructor

TEAM Coalition is a 501(c)(3) non-profit alliance of professional and collegiate sports, entertainment facilities, concessionaires, stadium service providers, the beer industry, distillers, broadcasters, governmental traffic safety experts, and others working together to promote responsible drinking and positive fan behavior at sports and entertainment facilities. I am also a National instructor certified to provide initial certification and re-certification for TEAM participants.

2000 – 2022 National Hospitality Institute, Lansing, MI
Techniques of Alcohol Management (TAM)

Master TAM Trainer

National instructor certified to provide initial certification and re-certification for TAM instructors for both On-Premises and Off-Premises courses.

TAM Instructor

Provide instruction on implementing responsible hospitality practices and reducing liability risks. Provide subject matter instruction on Laws and Ethics, Clinical Effects of Alcohol, Preventing Underage Drinking, and Alcohol Regulations

2013 – Present Wall Township Fire District Number 2, Wall, NJ
Commissioner

Government official in charge of a municipal fire department comprising 35 paid and volunteer firefighters, covering 17 square miles of commercial and residential properties, including an airport, interstate highways, and large water reservoirs. Responsibilities include the management, administration, creation, and implementation of policy and procedures, government standard compliance, personnel management, training, public education, fire prevention, budgeting, payroll and pension administration, and fire equipment procurement.

1989 - Present Wall Township Fire District Number 2, Wall, NJ
Volunteer Firefighter/Emergency Medical Technician

Respond to fire, rescue, emergency medical incidents, hazardous materials response/mitigation, and routine requests for assistance. Essential firefighter duties: Equipment placement, lay and connect hoses, operate high-capacity pumps and direct water streams, raise, and climb ladders, use chemical extinguishers, safety belts, lines, and self-breathing apparatus. Other firefighter responsibilities: enter burning buildings as part of a fire suppression team, perform ventilation tasks above ground, carry heavy equipment, and rescue injured or trapped victims. Emergency Medical Technician duties: respond to requests for pre-hospital emergency medical care and transport of sick or injured persons, set up and operate oxygen and auto-defibrillation equipment, administer pre-hospital emergency medical care to the ill and injured, and keep firefighters current with proper traffic incident management response.

1992 – Present New Jersey State Firemen’s Relief Association
Secretary

Perform secretarial duties for an association that provides financial benefits to active and otherwise qualified fire personnel, their families, and those injured, incapacitated, or killed in their duty and cultivate fraternal fellowship among fire personnel.

2013 – 2020 Robson Forensic, Inc.
Alcohol and Drug Investigations/Dram Shop/Public Safety

Provide technical investigations, analysis, reports, and testimony toward resolving civil and criminal litigation requiring investigation into matters requiring expertise in alcohol and drugs, dram shop, and public safety practices and procedures.

2009 – 2020 National Council on Alcoholism and Drug Dependence, Middlesex County, Inc., d/b/a Wellspring Center for Prevention

President, Board of Trustees

As Board President, I coordinated alcohol and drug prevention, education, information, and referral services to residents and businesses. Developed educational programs target health care professionals, educators, parents, children, and others facing the challenges and effects of substance abuse.

2010 – 2014 Passaic County Community College/Technical Institute, Wayne, NJ Faculty

Instructor in the Criminal Justice Department, lecturing on topics such as:

- Introduction to Criminal Justice
- Criminal Investigations
- Juvenile Delinquency
- Drugs, Alcohol, and Society
- Criminal Investigations
- Emergency Medical Responder
- First Aid/CPR/AED

1995 – 2009 Rutgers Police Department, Rutgers University, New Brunswick, NJ Sergeant/Emergency Medical Technician

Supervised numerous alcohol and drug incidents investigations, including the “Check for 21” and “Cops in Shops” enforcement programs. Created operation plans for short- and long-term events for 10 to 70,000 persons. Large-scale event planning included personnel assignments, external stadium/building enforcement, stadium medical response coordination, internal stadium/building command, traffic control following MUTCD, and evacuation plans.

Police Officer

Key member of the Law Enforcement and Community Police Units providing community services such as arresting alcohol and drug law violators and undercover and uniformed regulatory investigation involving alcohol enforcement. Over 1,000 investigations were performed covering: the sale or possession of alcohol to underage persons, the sale or possession of alcohol to intoxicated persons, the sale or possession of alcohol to drugged persons, field testing and arrest of intoxicated drivers, and provided trial testimony for civil and criminal investigations. Offered instruction on identifying signs of intoxication, explanation of local and state laws, establishment safety, fake/false identification, refusal of service, and conflict resolution.

Police Officer/Emergency Medical Technician/First Responder

Dispatched to medical calls. Responsible for initial medical care until transfer to the appropriate authority, current first aid training for all sworn officers, CPR, Work Zone Safety, Manual on Uniform Traffic Control Devices, and Effective Flagger Techniques. Received training in crisis negotiation, triage and disaster scene management, pre-hospital trauma and life support, OSHA safety, hazardous materials, and incident command.

1992 – 1995 Monmouth County Sheriff’s Department, Freehold, NJ Corrections Officer/Emergency Medical Technician

Responsible for the intake and discharge of inmates, Correctional Emergency Response Team member, and Training Division instructor for CPR and first responders.
